SAPC e-Note: CPD system updates

Dear Pharmacist,

The South African Pharmacy Council (SAPC) has improved the functionality of the CPD system to enhance the user experience when submitting CPD entries. The new system functionalities include amongst others the requirement/ability to select the year for which you are submitting the CPD entry, the ability to view a summary of CPD entries submitted for all CPD compliance years and the ordering of CPD entries according to the date of submission. The SAPC has also implemented automated CPD reminders which are sent to pharmacists every two months.

Please view a short clip indicating how to select the year of CPD compliance [here](#) or view this and other amendments to the CPD system in an illustrated document by clicking [here](#).

For a step-by-step process on how to submit a CPD entry and view other changes implemented on the CPD system, kindly access recordings of previous CPD Masterclasses by clicking [here](#) or visiting the OfficialSAPC YouTube Channel.

Yours faithfully,
VM Tlala
Registrar/CEO
