MINIMUM STANDARDS FOR PHARMACY PREMISES, FACILITIES AND EQUIPMENT: REFERENCE SOURCES

Rule 1.2.11.5 is hereby repealed and replaced as follows:

REFERENCE SOURCES

1. PURPOSE

The purpose of this minimum standard is to regulate the reference materials that are required to be available in a pharmacy.

2. DEFINITIONS

- (a) **Core Reference Material List:** this is a list of reference material that is compulsory for all categories of pharmacies.
- (b) **Categories of pharmacies:** institutional; community; wholesale; manufacturing and consultant pharmacies in terms of the *Regulations relating to the practice of pharmacy*.
- (c) **Pharmacy Category Specific Reference Material List:** list of reference material that a prescribed category of pharmacy will be required to have over and above the core reference material list.
- (d) **Pharmacies offering specialised services:** these are pharmacies offering services in terms of the limited conditions specified on their licences as issued by the National Department of Health, which may include radiopharmaceutical, oncology, compounding, and veterinary pharmacy, and any other that may be approved by Council.
- (e) **Pharmacies Offering Specialised Services Reference Material List:** List of reference material that pharmacies offering specialised services will be required to have over and above the core reference material list and where applicable the pharmacy category-specific reference material list.

3. GENERAL CONSIDERATIONS

- 3.1.1 The following principles relating to reference material in a pharmacy must be adhered to:
 - 3.1.1.1 reference material can be made available as hard copies or be accessible on electronic devices;
 - 3.1.1.2 all reference material must be current as specified in the lists;
 - 3.1.1.3 pharmacy premises approved for pre-registration training are also required to have additional reference sources as specified in the intern manual as published by Council;

- 3.1.1.4 the reference material must be accessible to all registered pharmacy personnel;
- 3.1.1.5 reference material must be accessible for verification when the pharmacy is routinely inspected for compliance with the legislation by the Council Inspection Officer;
- 3.1.1.6 a responsible pharmacist may in exceptional circumstances apply to Council for a relaxation of the minimum requirements relating to reference books; and
- 3.1.1.7 all pharmacies must have a readily accessible telephone number for the following-
 - (a) poison control centre that serves the area;
 - (b) medicines information centre; and
 - (c) vaccines hotline.

4. LIST OF REFERENCE MATERIAL
