1. Introduction and background

Over the past eighteen years, the South African Pharmacy Council (SAPC) Pharmacy Awards, initiated as part of the National Health Recognition Awards hosted by the National Department of Health, have become a means of recognising pharmacy professionals who go beyond the call of duty across a range of sectors. The last National Health Recognition Awards were held in 2011. Thereafter, the SAPC took over and hosted the first awards in its name. The first National Pharmacy Pioneer Awards were held at the 1st National Pharmacy Conference at Sun City in 2013, followed by the second held at the 2nd National Pharmacy Conference at the Durban ICC in 2016 and the third at 3rd National Pharmacy Conference at Sun City in 2019.

The 2026 National Pioneer Pharmacy Awards, boasts eight additional award categories, will be presented at the 4th National Pharmacy Conference on 13 October 2026. The Conference will be held from 11 to 13 October 2026 at the Inkosi Albert Luthuli International Convention Centre.

The SAPC Pioneer Pharmacy Awards recognises pharmacy professionals and facilities from the community, public/private institutional, industry, academic and other sectors as leaders in the provision of quality pharmaceutical services. Every pharmacy professional is called upon to participate in these awards.

The overall individual winner, the “Pioneer Pharmacy Professional”, will be selected from among the winners of the various individual adjudicated categories. The overall facility winner, the “Pioneer Pharmacy Facility”, will be selected from the winners of the various facility categories. **The winners will be announced during a gala dinner on 13 October 2026, at the 4th National Pharmacy Conference, Inkosi Albert Luthuli International Convention Centre.**
