## SAPC e-Note: CHANGE OF DESIGNATION TO NON-PRACTISING

Dear Pharmacist,

### SAPC e-Note: CHANGE OF DESIGNATION TO NON-PRACTISING

Kindly receive the attached letter confirming the change of your designation from a Practising Pharmacist to a Non-practising Pharmacist due to non-compliance with Continuing Professional Development (CPD) requirements for 2023.

This change means that you may not practise any acts pertaining to the scope of practice of a pharmacist. Should you wish to continue practising as a pharmacist, please submit your outstanding CPD entries for compliance with the 2023 CPD requirements and complete the online application form to request for your designation to be changed from non-practising to practising.

You are also required to complete the manual application form (attached) and upload this when completing the online application process.

Yours sincerely,

Vincent Tlala
